## A tax on carbon pollution faces surprising opposition

Some environmental groups and social justice advocates are fighting a proposed emissions tax in Washington. What gives?

### Comb Ridge parcel sold to highest bidder

- The privatized parcel within the proposed Bears Ears National Monument could be a sign of things to come.

### Will a twice-burned county change its ways?

- Don't count on wildfires to alter how counties plan development in fire-prone zones.

### The struggling Mexican wolf population edges toward a genetic crisis

- Can the U.S. Fish and Wildlife Service finally surmount the Southwest's complicated politics and ensure a future for the animals in the wild?

Now unlocked
